

FMC Act compliance obligations summary for Financial Advice Providers and Financial Advisers.

For all who give financial advice.

- Meet competence, knowledge and skill standards.
- Ensure client understands the nature and scope of advice.
- Give priority to client's interests when there's a conflict.
- Exercise care, diligence and skill when giving advice.
- Not recommend products offered under a regulated offer that contravenes the Financial Markets Conduct Act (FMC Act).
- Disclose prescribed information.
- Not make false or misleading statements and omissions in disclosure information.

Fidelity Life has provided this information in good faith with the intention to provide general business information. This information should not be substituted for legal, tax or other professional advice, may not be comprehensive, and should not be relied upon. Fidelity Life accepts no liability for any loss suffered by any person or organisation relying directly or indirectly on the information published. Information appearing in the publication may only be reproduced with the written consent of Fidelity Life and credit must be given to the source © Fidelity Life Assurance Company Limited 2021.

Additional duties for Financial Advice Provider (FAP) licensees.

- Take all reasonable steps to ensure individuals engaged comply with the above duties.
- Have processes and controls that limit the advice given by nominated representatives.
- Don't give incentives to nominated representatives that may encourage them to breach their duties.
